CALL FOR PAPERS

**INTERNATIONAL SYSTEMIC
COLLOQUIUM**

On

- 1. Current Systems Theory and Cybernetics: Problems and perspectives**
- 2. An application of the Systemic Approach: The discovery of the “Place of La Mancha” in the Quixote as a look for the Value of Knowledge**

en

Villanueva de los Infantes
-the “place of la Mancha” which name Cervantes did not want to remember-

Campo de Montiel, Spain, from 28 June to 2 July, 2017

Offered by the **Sociedad Española de Sistemas Generales (SESGE)** in cooperation with the **II Congreso Internacional América-Europa sobre los Valores del Quijote (IICAE17)**

(see www.congresoamericaeuropa.org)

and with the collaboration of **Union Européenne de Systémique (UES)** and the **International Academy for Systems and Cybernetic Sciences (IASCYS)**

Given the role played by the theory and methodology of Systems and Cybernetics in the discovery of the Place of la Mancha in Cervantes' novel Don Quixote, the Sociedad Española de Sistemas Generales (SESGE) (www.sesge.org) wants to invite all the systemic and cybernetician colleagues, interested or not on the Quixote, to present a communication at any of the two groups:

SPECIAL CONDITIONS OF THE COLLOQUIUM

*The venue is the "Casa de Espiritualidad de las Madres Siervas de Jesus", 7 kms from Villanueva de los Infantes, situated in a countryside full of trees in contrast with the flat and dry land of la Mancha, on the same way used by don Quixote in the novel returning from Sierra Morena. There are gardens, a swimming pool, conference salon, a church and sports field. All the academic sessions will take place at this venue.

PAPERS

Communications may deal with any of the following matters:

A) **ABOUT CURRENT SYSTEMS AND CYBERNETICS. Some relevant themes could be:** *Historical empirical contributions of Systems Theory and Cybernetics: from Systems Dynamics (Forrester) to the discovery of the Place of la Mancha in The Quixote (Universidad Complutense de Madrid); *The Viable Model of S. Bear: the Spanish political change in 1978; * Second-Order Cybernetics: Some ethical aspects from Von Foester to Stuart Umpleby; *The Soft Systems Methodology of Checkland: the case of Brexit; *Systemic mediation in conflicts; *Some systemic approaches in Medicine; *The systemic approach in Family Problems; *Internet Security: some systemic approaches; *Systemic solutions to Government Problems; *Free choice of other subjects

B) **ABOUT THE QUIXOTE AS A SYSTEM. some relevant themes could be:**

*Can the novel of don Quixote be seen as a closed/open system of sentences?; *The discovery of the "place of la Mancha" through systemic approaches: critical aspects; *Can the Quixote also be seen as a closed system of values?; *Can Systems Theory be applied to literary analysis with positive results?; ; *What could be the axiological impact of The Quixote in the contemporary world?

LANGUAGE

Papers can be written and presented in English, French and Spanish. Nevertheless it is recommended to use Power Point presentations in English to improve communication between participants.

SPECIAL CONDITIONS

Full accommodation is **free**. For the colleagues whose papers have been accepted for the Systemic Colloquium, the “**Sociedad Española de Sistemas Generales**” (SESGE) and the “**II Congreso Internacional America-Europa: los Valores del Quijote**” (IICIAE17) will pay their full accommodation (breakfast, break, lunch and dinner) during the 5 nights/ 4 days of the stay in the Casa de la Espiritualidad. Accompany persons will pay only **15 Euros/day** for meals

*For all the paper givers accepted for the Systemic Colloquium, or for the IICIAE17, the Congress will facilitate the transport from Madrid to Villanueva de los Infantes (225 km), on the 28 June 2017 and also the coming back on the 3 July from Villanueva de los Infantes until the Madrid Airport, at the moderate cost of **25 Euros** each person (cheaper than taking undergrounds, taxis,, buses, transfers and so on, and avoiding the logical difficulties of information, schedules, etc.). Therefore the participants will go directly from the Airport until the hotels and the Casa de la Espiritualidad.

*Daily transports from the House of Spirituality to cultural events in Villanueva de los Infantes will be **free**.

*Nevertheless, the sightseeing tour to Torre de Juan Abad/Montiel on the 30th June will cost **5 Euros** each person; and to Lagunas de Ruidera on the 2th July will cost **8 Euros** each person (lunch is included). The entry to Cueva de Montesinos , will depend of the maximum number of people allowed for that day..

CULTURAL ACTIVITIES

All the persons registered at the IICIAE17 and his/her accompanying persons will have the opportunity to participate in the cultural events prepared by the Town Hall of Villanueva de los Infantes, that in principle are:

We will have lunch in Ruidera (**free**) where only accompany persons have to pay. The entry to Cueva de Montesinos (quoted in the Quixote) will depend of the maximum number of people allowed for that day, and we shall inform about the price.

3 July: 9,00 departure by bus to Madrid Airport (already paid by participants).

IMPORTANT NOTES ABOUT ACCOMMODATION IN THE “CASA DE ESPIRITUALIDAD”

1. It is important to know that the stay in this House is in a regime of full board and rather Spartan accommodation and work. Sessions will star at 8 and continue until 15 hours with a break of one hour).
2. Specifically, the House has: 19 single/double rooms with bath; 6 double rooms with a bathroom each two rooms; and 40 bunk beds divided into 10 rooms, each of one have 7 washbasin, 6 showers and 6 toilets. The House, therefore, has a maximum of 90 beds if we consider the special conditions of the 19 single/double rooms, the 6 double rooms and the 40 bunk beds, depending of the kind of room the participants choose.
3. But given the rule of the House of not distinction among economic categories or prices, **the best single rooms will be assigned to the participants strictly according to the date of registration at the IICIAE17.** According to the available time, the maximum number of paper givers for this Colloquium can be 32, although the number of individual rooms are $19+6+10=35$ where the last 10 are bunk beds. In any case it is recommended to register for the IICAE17 as soon as possible.
